

KOGEI SALAD SERVERS

Kogeï, the Japanese word for artisan crafts, is all about creating cutlery with a distinct sense of artisan work. Inspired by artisan cutlery, the collection is available in a cutlery set of fork, knife, spoon, and teaspoon, as well as a Salad Servers set. The Kogeï Cutlery is available in both stainless steel and plated metal black finishes. Meticulously crafted from high quality metals, each piece in the Kogeï collection balances both form and function. The elegant design showcases fine craftsmanship, making every meal a refined experience. The stainless steel option offers timeless elegance with its classic, polished look, while the plated metal black finish adds a modern and sophisticated touch, perfect for chic, contemporary table settings. Both finishes are durable, resistant to corrosion, and feature ergonomically designed handles for a comfortable grip. Whether you're enjoying a casual meal or a formal dinner, the subtle yet sophisticated aesthetic of the Kogeï collection complements any table setting, adding a touch of elegance to your dining occasions. Experience the art of dining with the Kogeï cutlery collection, where tradition meets modern craftsmanship.
